

SMART INDIA HACKATHON 2026 @ KONGU ENGINEERING COLLEGE

(7th & 8th September 2026)

Department: Computer Science and Engineering
Project category: Software
PS ID: SIH26003
Team ID: MemoMate_KEC

Team leader: Srimathi D (Roll No: 22CSR180)
Team members:
1. Srimathi D (Roll No: 22CSR180)
2. Team Member 2 (Roll No: 22CSR181)
3. Team Member 3 (Roll No: 22CSR182)
4. Team Member 4 (Roll No: 22CSR183)
5. Team Member 5 (Roll No: 22CSR184)
Mentor/Co-mentors:
Dr. R. Malathi; Associate Professor, Dept of CSE, KEC
Prof. P. Suresh; Assistant Professor, Dept of CSE, KEC

PROTOTYPE SCREENSHOTS & REAL-TIME IMPLEMENTATION

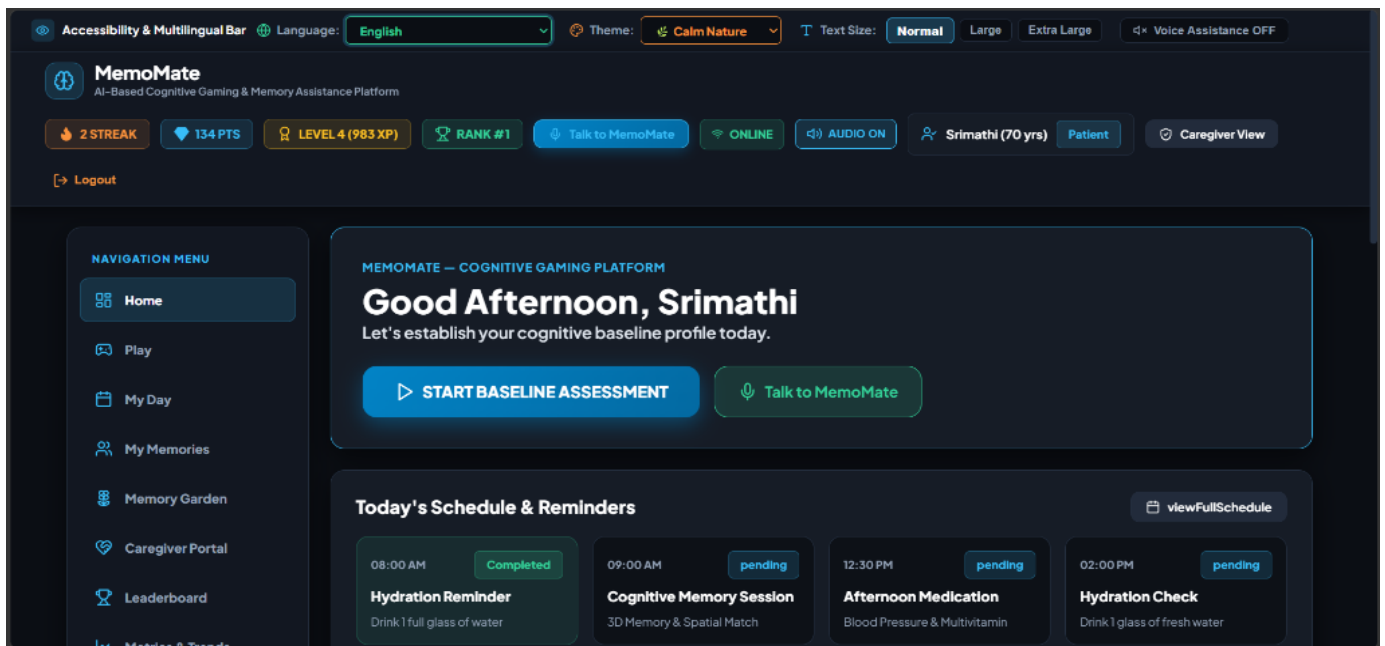

Figure 1: MemoMate Personalized User Dashboard & Daily Schedule Interface

Description: Features personalized greeting ('Good Afternoon, Srimathi'), baseline assessment launch button, AI voice assistant entry point, accessibility toolbar (English/Hindi/Tamil/Assamese, themes, text sizing), active gamification counters (2-day streak, 134 gems, Level 4 / 983 XP, Rank #1), patient metadata badge, and daily schedule reminders.

Figure 2: Cognitive Metrics & 30-Day Trend Analytics Dashboard

Description: Displays quantitative cognitive domain index scores (Memory Index: 88, Focus & Attention: 89, Recall Speed: 80, Reaction Time: 71) alongside dynamic status indicators ('Improving', 'Focus Needed', 'Consistent'). A 30-day SVG line graph tracks score trajectories across all four cognitive categories.

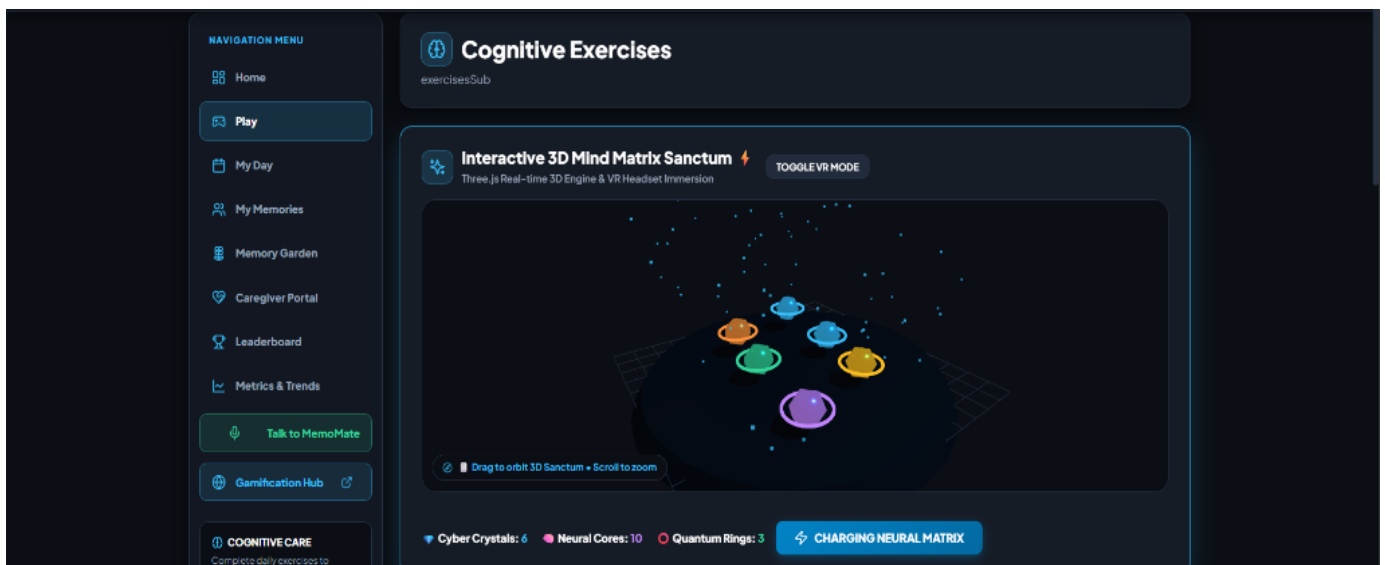

Figure 3: Interactive 3D Mind Matrix Sanctum Engine (Three.js WebGL)

Description: Features an interactive WebGL 3D cognitive stimulation scene powered by Three.js. Supports orbit rotation, zoom, VR headset immersion mode, particle systems, orbiting target spheres, and real-time inventory tracking (6 Cyber Crystals, 10 Neural Cores, 3 Quantum Rings) with neural matrix charging feedback.

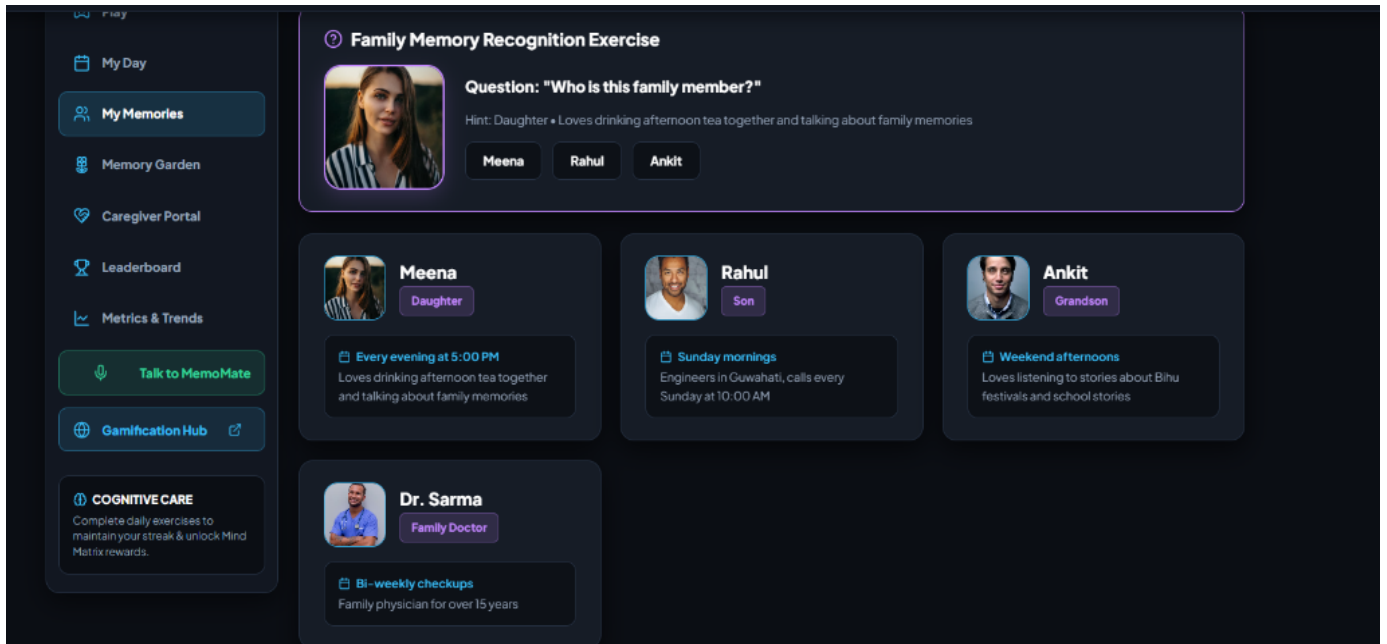

Figure 4: Family Memory Recognition & Reminiscence Exercise Module

Description: Presents photo-based family recognition prompts ('Who is this family member?') with portrait imagery, hints ('Daughter • Loves drinking afternoon tea together...'), and multi-choice selections (Meena, Rahul, Ankit). Detailed profile cards show relationship tags, visiting schedules, and doctor contacts.

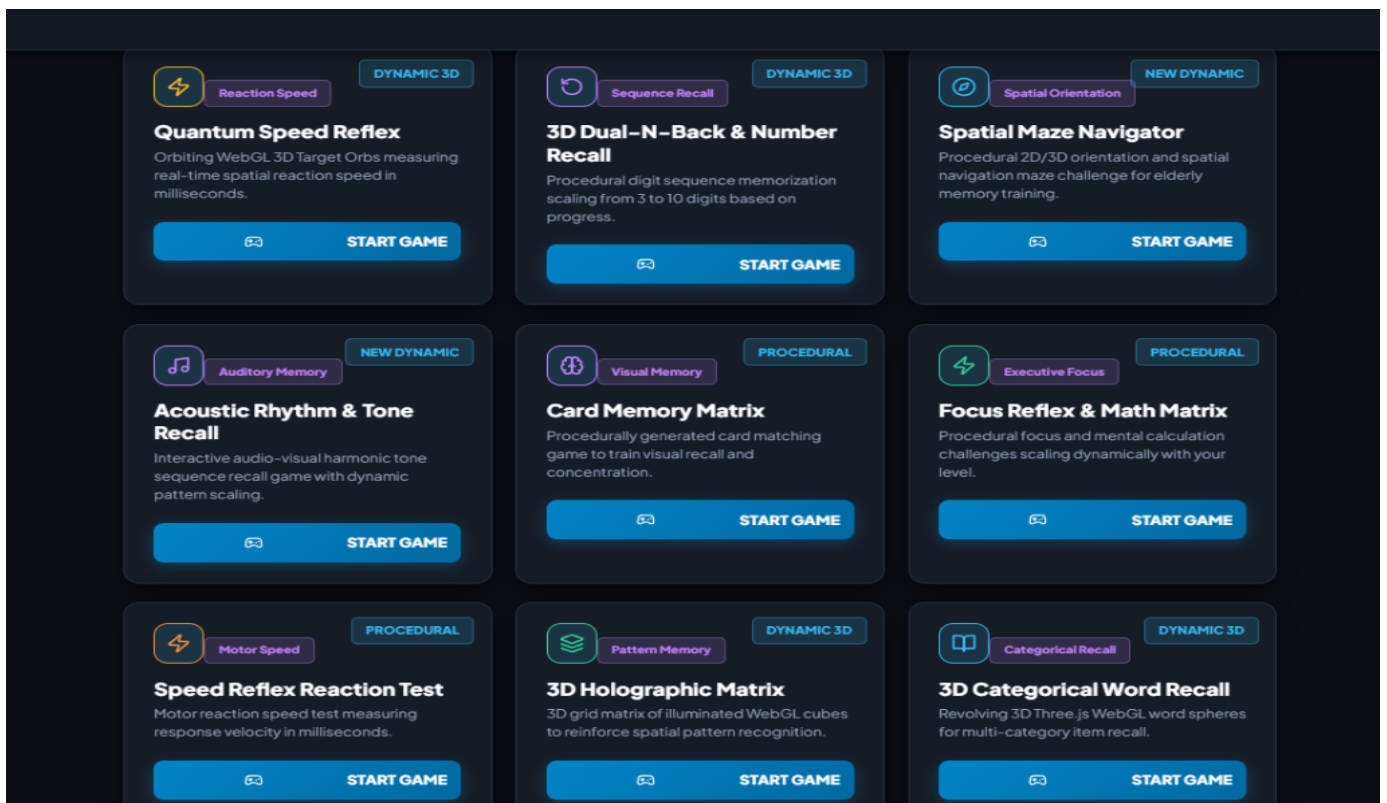

Figure 5: MemoMate Cognitive Gaming Hub Suite

Description: Showcases the 9-game cognitive suite including Quantum Speed Reflex, 3D Dual-N-Back & Number Recall, Spatial Maze Navigator, Acoustic Rhythm & Tone Recall, Card Memory Matrix, Focus Reflex & Math Matrix, Speed Reflex Reaction Test, 3D Holographic Matrix, and 3D Categorical Word Recall.
